3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by another Decision Maker who is independent from the original Decision Maker. The Central Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within 20 working days. In more complex cases the review may take up to 40 working days.

The independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
