FOI Ref 21359

Request - You asked us the following:

1) How many non-crime hate incidents have been recorded by your force in the (a) 2023 and (b) 2024 calendar year?

NOTE: I understand non-crime hate incidents are recorded through the 'Hate Crime Operational Guidance (HCOG)' issued by the College of Policing. According to the guidance, a non-crime hate incident is an incident which is perceived, by the victim or any other person, to be motivated by hostility or prejudice towards one of the following: disability; race; religion; transgender identity and sexual orientation.

2) In relation to the non-crime hate incidents recorded in 2024 please provide a breakdown by the hate motivation? Please provide this using the categories you use for this task, however, I would expect that some or all of the following would be included: Alternative subculture, disability, race, religion, sexual orientation, transgender, anti-semitic, asylum seeker/refugee, gypsy/traveller, islamaphobic and migrant worker.

3) In relation to all non-crime hate incidents that were logged by your force in the calendar month of September 2024 could you please provide me with (i) the exact nature of the actions or exact words used, (ii) where it was carried out (either a location such as school, workplace, street etc, or a specific social media platform/internet, and (iii) the age of the perpetrator if known.

NOTE: In Question 3 I am content for any details to be redacted so that the identity of the victim and perpetrator are not disclosed, but I would like as much detail about the circumstances of the incident as possible.

Clarification received on 22/05/2025
Can I opt for October instead.

We received your request on 16/05/2025 and have processed this under the Freedom of Information Act (FOIA).
