FOI Ref 21365

Request - You asked us the following:

Number of arrests made under section 127 of the Communications Act 2003 and Section 1 of the Malicious Communications Act 1988. I would like the data in calendar years from 2015 until 2025.

We received your request on 16/05/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

This is because on 20th May 2020 Staffordshire Police implemented a new case management system. This system brought data from a number of legacy systems into one to provide a single nominal record, including the custody system. The old custody system has now been decommissioned and as a result there is no search facility to be able to retrieve the requested data. It would entail searching thousands of records to establish if it fitted the criteria of the request. To achieve this task would exceed the 18-hour time and cost threshold stipulated by the Freedom of Information Act.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

If your request was refined, Staffordshire Police would be able to provide the following:
The number of arrests made per year for the offences of 'Send indecent or grossly offensive communication to cause distress or anxiety' and 'Sending lettering with intent to cause distress or anxiety' between 20/05/2020 and 16/05/2025.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
