FOI Ref 22054

Request - You asked us the following:

I am writing to request information under the freedom of information act.
Please can you provide the following for each of the years from 2018 to 2025 (so far):

- the number of people charged for an offence, broken down by nationality and by type of crime
- the number of asylum seekers charged for an offence, broken down by type of crime
- the total number of people charged for an offence, broken down by type of crime

Where the number is less than 5, please put <5 as per best FOI practice.

If it is not possible to release part of this information, please release the remaining information.

We received your request on 04/11/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer the part of this request in relation to asylum seekers. For the time period requested, there have been in excess of 52,900 charges, in order to ascertain whether the individual charged was an 'asylum seeker' the record for each one would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 2,645 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to refine your request, data can be provided for all charges broken down by type of crime and also broken down by ethnicity rather than nationality. Please be advised that we do not routinely record nationality therefore these results would not be a true representation of the data.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
