FOI Ref 22074

Request - You asked us the following:

I would like to know how many incidents you were called to involving an XL Bully dog in the past 12 months?

How many arrests have been made following an incident involving an XL Bully dog in the past 12 months?

How many XL Bully dogs have been put down in the past 12 months?

Specifically, I would like to know the arresting offences and outcome of each arrest (i.e. charged, released without charge, caution, etc)

We received your request on 07/11/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.

Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer parts of this request. For the time period requested, there have been in excess of 600 'Owner or person in charge allowing dog to be dangerously out of control in any place' offences, please note that there may be other types of offences recorded where an XL Bully was involved. In order to ascertain whether the dog involved was an XL Bully the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 30 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to refine your request, data can be provided for the number of XL Bully dogs that have been put to sleep in the last 12 months.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
