FOI Ref 22089

Request - You asked us the following:

The information that we require, under the Freedom of Information Act, is as follows:

- 1) Do you use a survey platform?
- 2) If so, what tools do you use?
- 3) How much do you spend annually on a survey platform?
- 4) Which month & year does your contract with your supplier end?

Surveys may be utilised to gather public perceptions, inform policy, gain general understanding and drive further decisions internally.

These platforms can be used by governments, cities, or organisations to:

- Collect feedback on policies, services, or community issues
Conduct surveys and polls
-Enable reporting of local issues, like potholes or graffiti
Share updates, news, and documents with the public
-Encourage participatory budgeting or co-creation of solutions

Examples include tools like Granicus (EngagementHQ), CitizenSpace, SurveyMonkey, Qualtrics or Commonplace.

They can play a major role in increasing transparency, accountability, and trust in public decision-making.

We received your request on 12/11/2025 and have processed this under the Freedom of Information Act (FOIA).

Any person who has requested information from Staffordshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

Or by Post to:

Information Access Team
Staffordshire Police HQ
PO Box 3167
Stafford
ST16 9JZ

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the Force's response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a Supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within 20 working days. In more complex cases the review may take up to 40 working days.

The independent Supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
