FOI Ref 22148

Request - You asked us the following:

The information I'd like is as follows:

- * All reports of cable thefts on the rail network from January 2019 to the end of October 2025, including:
 - o The month each theft was reported
 - o The location of each offence
 - o The outcome
- * Any internal communications regarding cable thefts from January 2025 to the end of October 2025.

We received your request on 21/11/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.

Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess 95,390 theft occurrences. In order to ascertain whether the offence included 'cable theft' and if it occurred on a 'rail network', to extract this data would require a very labour-intensive manual trawl through all occurrences. Furthermore, all internal email communications would also have to be reviewed and there has been 429 emails which mention 'cable theft'.

From dip sampling, it has been estimated that it would take approximately 4 minutes to review each offence, this would equate to over 6,359 hours. Likewise, to review each email, this has been estimated that it would take approximately 3 minutes which equates to over 21 hours. Therefore, to service this request would take over 6,380 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
