FOI Ref 22154

Request - You asked us the following:

- the number of racist hate crimes and/or hate incidents reported
- by month and year
- where the victim(s) comprise of the Relevant Groups (see list below), broken down by each group where possible.

And would like data for the following years, broken down by each month:

- 2020, 2021, 2022, 2023, 2024, 2025 (for this year, up until the FOI response date or whatever are the most recent statistics).

FORMAT: Please provide the data in an Excel spreadsheet.

If you can't provide a list of hate crimes by month/ year with individual details, please structure the summarised data with the following column headings:

- Month
- Year
- Number of hate crimes
- Number of hate incidents
- Ethnicity/ethnic appearance

THE RELEVANT GROUPS: We are interested in the following 'relevant' ESEA groups. If, like Police Scotland, you can provide us with all your hate crime data for all ethnic groups, however, please do- it makes it easier to compare trends.

THE RELEVANT GROUPS:

- Chinese
- East Asian
- Southeast Asian
- "Oriental"
- Mainland China, Hong Kong, Macau, Taiwan, Japan, Mongolia, North Korea, and South Korea, Thailand, Vietnam, Malaysia, Singapore, the Philippines, Laos, Indonesia, Brunei, Burma (Myanmar), Cambodia and Timor-Leste
- Or any that had such appearance (set out above)
- Asian (less useful as we need the granularity)

As per your previous clarification questions:

- We would like hate crimes and non-crime hate incidents broken out separately.
- For the relevant ethnicity category '5.

Chinese, Japanese, SE Asian'. However it would also be useful to understand the total amount of hate crimes with blank or non-specified Asian ethnicity if feasible within the time and cost threshold

We received your request on 24/11/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

Staffordshire Police (SP) holds the requested information.

- - the number of racist hate crimes and/or hate incidents reported

 - **Disclosed, please see the accompanying file titled 'FOI 22154 Hate Crime Data'.**

Please be advised that not all crimes or incidents will have a victim recorded therefore the overall figures and the ethnicity figures will not match.

Please note that this data has been provided to the best of the ability of SP, subject to the limitation of current recording protocols and systems/software. Additional offences or incidents may have been

recorded during these timescales but are awaiting finalisation and input onto these systems and would not be present within this dataset.

Every effort is made to ensure that the data presented is accurate and complete. However, it is important to note that this has been extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system.

Consequently, care should be taken in the interpretation and presentation of this data, to not misrepresent the whole or any part of the data disclosed.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

Or by Post to:

Information Access Team
Staffordshire Police HQ
PO Box 3167
Stafford
ST16 9JZ

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

STAFFORDSHIRE
POLICE

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the independent supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal. The Information Commissioner can be contacted via the following link:
