

27 November 2025

FOI Ref 22169

**Request - You asked us the following:**

I would like to request information under the Freedom of Information Act 2000.

I would like to get data on arrests made under any section of the Public Order Act 2023. Specifically:

- How many arrests were made under the Public Order Act 2023 during protests?
- What did those arrests lead to?
  - o No further action
  - o Release on bail
  - o Release on investigation
  - o Charged
- Of the arrests, how many were from an environmental protest (local and/or national/international groups)? It would be ideal if you could mention the protest group every time it is an environmental protest.

Can you please share the data in an excel spreadsheet, giving data for each point mentioned above and for every month between May 2023 and the month when you reply to this.

We received your request on 26/11/2025 and have processed this under the Freedom of Information Act (FOIA).
