FOI Ref 21897

Request - You asked us the following:

I have a major concern for the volume of accidents, with more recently serious road traffic incidents at the junction from the A500 to Alsager/Audley. I have had a near miss myself this summer at this junction and I drive with extreme caution at this junction.

I am contacting Alsager MP Sarah Russel to ask what the highways are going to do about this before the next accident results in a fatality.

Please can you provide me with the following details to support my concern.

1. Number of reported accidents at this junction off the A500 in firstly 2025 , and then over the last 5 years.

We received your request on 26/09/2025 and have processed this under the Freedom of Information Act (FOIA).
