FOI Ref 21982

Request - You asked us the following:

Please could you provide the following information for your force area, covering the period 1st January 2020 to 30th September 2025 (or most recent available):

1. The number of reported crimes that took place:
 1. At public EV charging stations
 2. Or within 50 metres of a public EV charging station
 2. Please break this down by:
 1. Year
 2. Crime type
 3. Location (postcode or nearest street)
 3. If recorded, please also include:
 1. Whether CCTV footage was available
 2. Whether the area was lit at the time (if noted)
- If this request exceeds the cost limit, please prioritise providing:
- A total yearly crime count near EV charging stations
 - The top 10 most affected locations

We received your request on 17/10/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For this year alone, there have been in excess of 92,650 occurrences. In order to ascertain whether the reported crime took place at a public EV charging station or within 50 metres of a public EV charging station and whether CCTV footage was available, the record for each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 7,720 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
