FOI Ref 22024

Request - You asked us the following:

I am getting in touch to request some data on break-ins in your area please.

Under the freedom of information act, we would like to request the following...

- Total number of garage break-ins in your area in 2022, 2023, 2024 and 2025 to date, broken down by calendar month.

- Could we have the number that relate to garage, shed or outbuilding break-ins specifically, too.

- Do you have the raw data for the time of day logged for each burglary?

If the request is too extensive, then please focus on point 1 and 2 only.

We received your request on 28/10/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 15,700 burglary occurrences, in order to ascertain whether these involved a 'garage break-in', or similar residential outbuilding, the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 785 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to assist in refining your request, data could be supplied for the requested time frame in relation to the following offences:

- Residential Burglary of Unconnected Building
- Attempted Residential Burglary of Unconnected Building
- Aggravated Burglary - Residential (Unconnected Building)

Data could also be provided in relation to the occurrence start time. Please be advised that although the above offences are for unconnected buildings such as garages, sheds and outbuildings there may be other types of unconnected buildings included.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
