

Subject: Closure of the RCRP Strategic Partnership Board

Dear [Partners Name],

I am writing to inform you that, following the successful implementation of Right Care Right Person, the RCRP Strategic Partnership Board is now being formally stood down. This force project has been reviewed and following the success is now moving to business-as-usual.

We would like to take this opportunity to sincerely thank you for your invaluable contributions, collaboration, and support throughout this process. The collective efforts of all partners have been instrumental in achieving the projects objectives, and we are confident that the outcomes will continue to have a positive impact.

Moving forward, Force Contact Superintendent [REDACTED] and Mental Health lead [REDACTED] will be overseeing business-as-usual operations related to this work and will be your main point of contact. You can reach them at [REDACTED] for any queries or ongoing discussions.

While the board is being disbanded, we remain committed to embedding the principles and learning from this work into future initiatives. If you have any questions or would like further information, please do not hesitate to get in touch.

Once again, thank you for your support and partnership.

Best regards,

ACC Stuart Ellison
