FOI Ref 21731

Request - You asked us the following:

I am writing to make a request under the Freedom of Information Act 2000.

Please can you provide the following information in csv or excel format:

1 - How many people have been arrested by police at or in connection to pro-Palestine protests since the October 7 Attacks in 2023? Please provide the number of people arrested broken down by age.

2 - What offences were these people arrested for? Please include the breakdown of the number of people arrested for each type of offence (e.g. supporting a proscribed organisation, assault on officer, public order offence).

3 - How many people were detained in custody following these arrests? Please provide the breakdown of the number detentions in custody for each type of offence.

4 - How many people were charged with the offence they were arrested for? Please provide the breakdown of the number of people charged for each type of offence/charge.

We received your request on 13/08/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been 37,560 arrests. In order to ascertain whether the arrest was in connection to pro-Palestine protests the record for each arrest would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 3,130 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
