Request - You asked us the following:

Please could you provide data on the number of incidents recorded as hate crimes, on a month by month basis, as per below:

1. Number of incidents flagged as race or religion hate crime, every month, within the last 24 months (each month from August 2023 to August 2025 inclusive).
2. If possible, what was the hate crime recorded as (e.g. islamophobia, antisemitism etc.)
3. Where the victim's ethnicity and/or religion was recorded, what was the breakdown, by ethnicity and religion?
4. How many incidents resulted in injury? Please can this be broken down into level of injury caused (i.e. minor, serious, life-threatening etc.)

We received your request on 17/09/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer question 2 of this request. For the time period requested, there have been in excess of 2,900 race/religion hate crime occurrences, in order to ascertain what the hate crime was related to, the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 145 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to refine your request, data can be provided for questions 1 and 3 in full. With regards to question 4, data can be provided for the stats classification for all race/religion hate crimes which will include offences such as 'Wounding with intent to do grievous bodily harm' and 'Assault occasioning actual bodily harm' etc.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
