FOI Ref 21860

Request - You asked us the following:

1. The number of recorded crimes involving electric bicycles (e-bikes) for each year from 2019 to the most recent available year.
2. A breakdown of the types of crimes in which e-bikes were involved (e.g. theft, robbery, assault, drug offences, etc.).
3. If available, a breakdown of this data by town or local policing area within your jurisdiction.
4. Any internal assessments or reports regarding the rise or trend in e-bike-related crimes over this period.

We received your request on 18/09/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer questions 1, 2 and 3 of this request. For the time period requested, there have been in excess of 678,000 occurrences, in order to ascertain whether an electric bicycle was involved in the offence the record for each one would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 2 minutes to review each record to answer this request, this would equate to over 22,600 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold. We do not hold any information in regards to question 4.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
