FOI Ref 21875

**Request - You asked us the following:**

- 1) Did you run a specific drink or drug driving campaign last Christmas (December 2024)
- 2) If you did run an operation can you tell me how many vehicles were stopped, how many arrests that led to and how many people were charged as a result.
- 3) Can you tell me the total number of drink driving charges the force achieved during December 2024 up to and including the 1st of January.
- 4) Can you also provide me the figures for the previous year at the same time to compare the figures.
- 5) Could you also tell me how many crashes during December 2024 up to and including the 1st of January were as a result of drink driving, or involved a driver providing a positive breath test?

We received your request on 22/09/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

**The following exemption has been applied:**

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

**The above information has been withheld for the following reasons:**

There is no method by which we can readily retrieve information from our systems to answer question 5 of this request. For the time period requested, there have been in excess of 800 road traffic collisions, in order to ascertain whether 'drink driving' was an element in the incident the record for each one would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 40 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

### **Advice and assistance**

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to refine your request, data can be provided for questions 1, 3 and 4. Data can also be provided for question 2 with regards to the number of vehicles stopped and the number of arrests in relation to question 1.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
