

24 April 2026

FOI Ref 22690

Request - You asked Staffordshire Police (SP) the following:

1. Please can you provide the number of police officers in your force who have died in or from collisions involving a police vehicle they were driving.

- If possible, please can you break down the police officer fatalities by instances when the police vehicle they were driving was on blue lights.
- If possible, please can you break down the police officer fatalities by instances when the police vehicle they were driving was legally travelling above the speed limit.

2. Please can you provide the number of police officers in your force who have died in or from collisions involving a police vehicle they were a passenger in.

- If possible, please can you break down the police officer fatalities by instances when the police vehicle they were a passenger in was on blue lights.
- If possible, please can you break down the police officer fatalities by instances when the police vehicle they were a passenger in was legally travelling above the speed limit.

3. Please can you provide the number of members of the public who have died in or from collisions involving a police vehicle.

- If possible, please can you break down the fatalities by instances when the police vehicle was on blue lights.
- If possible, please can you break down the fatalities by instances when the police vehicle was legally travelling above the speed limit.

Clarification received on 31/03/2026

Could I request information from within the last 10 years (since January 2016)?

Clarification received on 22/04/2026.

Yes the speed the vehicles were travelling at the point of collision please.

SP received your request on 23/03/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

SP holds/does not hold the requested information.

1. Please can you provide the number of police officers in your force who have died in or from collisions involving a police vehicle they were driving.

- If possible, please can you break down the police officer fatalities by instances when the police vehicle they were driving was on blue lights.
- If possible, please can you break down the police officer fatalities by instances when the police vehicle they were driving was legally travelling above the speed limit.

- Disclosed: Nil.

2. Please can you provide the number of police officers in your force who have died in or from collisions involving a police vehicle they were a passenger in.

- If possible, please can you break down the police officer fatalities by instances when the police vehicle they were a passenger in was on blue lights.
- If possible, please can you break down the police officer fatalities by instances when the police vehicle they were a passenger in was legally travelling above the speed limit.

- Disclosed: Nil.

3. Please can you provide the number of members of the public who have died in or from collisions involving a police vehicle.

- If possible, please can you break down the fatalities by instances when the police vehicle was on blue lights.
- If possible, please can you break down the fatalities by instances when the police vehicle was legally travelling above the speed limit.

- Partially disclosed: 9 members of the public were recorded to have died in or from collisions involving a police vehicle.

5 fatalities occurred in instances when the police vehicle was recorded to have been on blue lights. There was 1 instance when the police vehicle was legally travelling above the speed limit. Please note, there were no other instances where the speed was recorded as being in excess of the speed limit.

Please note that this data has been provided to the best of the ability of SP, subject to the limitation of current recording protocols and systems/software. Additional incidents may have been recorded during these timescales but are awaiting finalisation and input onto these systems and would not be present within this dataset.

Every effort is made to ensure that the data presented is accurate and complete. However, it is important to note that this has been extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the

terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system.

Consequently, care should be taken in the interpretation and presentation of this data, to not misrepresent the whole or any part of the data disclosed.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

Or by Post to:

Information Access Team
Staffordshire Police HQ
PO Box 3167
Stafford
ST16 9JZ

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

STAFFORDSHIRE
POLICE

4. Conclusion of the Appeal

On completion of the review the independent supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal. The Information Commissioner can be contacted via the following link:
