3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the independent supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
