FOI Ref 23200

Request - You asked Staffordshire Police (SP) the following:

I hope you are well and thank you for the quick response. I requested in my FOI the figures for each day in May, June and July - is it possible to be sent the daily figures rather than the monthly totals?

Original request FOI 23198

If there is any more information I need to provide, please do get in touch.

If possible, please provide the file in an XLSX or CSV format (spreadsheet).

SP received your request on 30/07/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

SP holds the requested information.

- I hope you are well and thank you for the quick response. I requested in my FOI the figures for each day in May, June and July - is it possible to be sent the daily figures rather than the monthly totals? – **Disclosed, please see the accompanying file entitled 'FOI 23200 Refinement of FOI 23198 Racial Hate Crime Data'.**

Please be advised that the information provided has been obtained from the SP crime/occurrence recording database and relates to where a hate crime qualifier has been applied from 01/05/2026 to 29/07/2026.

Please note that these figures have been provided to the best of the ability of SP, subject to the limitation of current recording protocols and systems/software. Additional offences may have been recorded during these timescales but are awaiting finalisation and input onto these systems and would not be present within this dataset.

Every effort is made to ensure that the figures presented are accurate and complete. However, it is important to note that data is extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system.

As a consequence, care should be taken in the interpretation and presentation of this data, so as to not misrepresent the whole or any part of the data disclosed.

All Freedom of Information request responses are published on the SP website although personal details are not included.
