Request - You asked Staffordshire Police (SP) the following:

As a freedom of information request, please provide the following information, for each calendar year from 2019 to 2025 inclusive.

- 1) The number of road traffic collisions (RTCs) involving vehicles owned by the force for each calendar year
- 2) Total damage in pounds caused to the force's police vehicles in collisions for each calendar year
- 3) The number of the force's vehicles which were written off as a result of RTCs for each calendar year
- 4) The number of incidents, where other vehicles were damaged, where the force accepted liability by year
- 5) If available, the number of people injured in RTC's involving police vehicles, split by whether they were a member of the force or the public and calendar year

For further clarity, I would like the annual totals collated by the date of the accident please. If there are concerns regarding the cost of gathering the information, prioritise the questions 1, 2 and 3.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

Or by Post to:

Information Access Team
Staffordshire Police HQ
PO Box 3167
Stafford
ST16 9JZ

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the independent supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal. The Information Commissioner can be contacted via the following link: <https://ico.org.uk/make-a-complaint/foi-and-eir-complaints/foi-and-eir-complaints/>
