FOI Ref 22446

Request - You asked Staffordshire Police (SP) the following:

Under the Freedom of Information Act 2000, please provide the following information for the period 1 January 2021 to 31 December 2025:

1. The total number of reports received by your force relating to animal cruelty.
2. The total number of animal cruelty cases investigated by your force.
3. Of those investigations, the number of cases where your force worked jointly with the RSPCA or other animal welfare organisations.

If possible, please provide the figures broken down by calendar year.

SP received your request on 26/01/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which SP can readily retrieve information from our systems to answer question 1 of this request. For the time span requested, there have been more than 3,100 animal related incidents, to ascertain whether these related to animal cruelty the record for each one would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take 3 minutes to review each record to answer this request, this would equate to over 155 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by a considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

To refine your request, data can be provided for all offences under the Animal Welfare Act in the time span requested. Data can also be provided for the number of these cases where SP worked jointly with the RSPCA or other animal welfare organisations where this has been recorded.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.
