1. What were the total number of dog theft/abduction crimes in 2024, and in 2025 (with monthly breakdowns if possible)?
2. What was the outcome (charge/summons, community resolution, active investigation, evidential difficulties, no suspect identified) for each dog theft/abduction crime in 2024, and 2025?
3. Please show how many of the recorded crime outcomes in 2024 and 2025 are under:
 - a) The Theft Act 1968
 - b) The Pet Abduction Act 2024
4. How many dogs were listed with each dog theft/abduction crime in 2024 and 2025?
5. Can details about stolen/abducted dog breed, gender, age, and location of theft (walk, home, garden, outside shop, from car etc) also be provided for 2024 and 2025 please?

SP received your request on 07/01/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which SP can readily retrieve information from our systems to answer parts of this request. For the time period requested, there have been in excess of 28,600 theft occurrences, in order to ascertain whether the item stolen was a 'dog' the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 1,430 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by a considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

In order to refine your request, data can be provided for the offence of 'Abduction of pet dog/cat' under The Pet Abduction Act 2024 in the time period requested. These can be manually checked to establish whether a dog had been stolen and any further details such as outcome, dog breed, gender, age and location of theft can be provided where this has been recorded.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.
