SP holds the requested information.

- 1. Have any investigations opened since 1 December 2025 to the present day (13 Jan 2026) into non-consensual 'nudified' images created by Grok AI on X? – **Disclosed, no.**
- 2. If investigations have been opened into non-consensual 'nudified' images being created by GrokAI, please provide the number of cases opened since 1 December 2025 to today (13 Jan 2026). Please provide the date when the case was opened. – **Not applicable.**

Please be advised that there is no specific offence for 'non-consensual nudified images created by Grok AI, therefore we have conducted a search of our crime/occurrence recording systems for the offence of 'Take/ make / distribute indecent photographs or pseudo- photographs, of children' in order to provide these results. We have conducted a manual review of these offences within the time scale requested for reference to Grok or GrokAI, which has produced a nil result.

Please note that this data has been provided to the best of the ability of SP, subject to the limitation of current recording protocols and systems/software. Additional offences/incidents may have been recorded during these timescales but are awaiting finalisation and input onto these systems and would not be present within this dataset.

Every effort is made to ensure that the data presented is accurate and complete. However, it is important to note that this has been extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system.

Consequently, care should be taken in the interpretation and presentation of this data, to not misrepresent the whole or any part of the data disclosed.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.
