FOI Ref 22374

Request - You asked Staffordshire Police (SP) the following:

1. In relation to the Child Sex Offender Disclosure Scheme, otherwise known as "Sarah's Law", how many requests has your force received asking if someone who has sufficient access to children has a sex offender's record in the (i) 2023, (ii) 2024 and (iii) 2025 calendar year?
2. For each calendar year please state (i) in how many of these requests did the subject have a sex offender's record AND you disclosed the conviction to an interested party and (ii) of these positive returns how many of the individuals were registered sex offenders.
3. Of the first ten cases from 1.3.2025 onwards where you disclosed an offender's record please state the main/primary offence that caused concern?

SP received your request on 13/01/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which SP can readily retrieve information from our systems to answer question 1 of this request. For the time period requested, there have been 363 child sex offender disclosure applications, in order to ascertain whether the individual had sufficient access to children the record for each one would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 4 minutes to review each record to answer this request, this would equate to over 24 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by a considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

In order to refine your request, data can be provided in full for questions 2 and 3 if question 1 were removed.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.
