FOI Ref 23030
Refinement
of FOI
22973
Residential
Burglaries

Request - You asked Staffordshire Police (SP) the following:

Refinement requested in response to advice and assistance provided following original FOI request (FOI 22973). This advice being:

'In relation to question 1, SP can provide the number of residential burglaries broken down by the recorded 'start time' of occurrence. This could be provided as hourly time bands for the 24-hour period.'

Refinement sought by applicant:

'To assist with this, can I narrow down the request to just one question?

To clarify, would it be possible to receive the information relating to Q1 and disregard Q2 & Q3?'

Original Request (Question 1)

Under the Freedom of Information Act 2000, I would like to request the following information relating to recorded residential burglaries in your policing area for the calendar year 2025.

1. Time of occurrence

Please provide the number of residential burglaries broken down by the recorded time of occurrence.

Where exact times are not available, please provide the data by the following time bands:

- 00:00-05:59
- 06:00-11:59
- 12:00-17:59
- 18:00-23:59

Where offences are recorded using an occurrence window rather than an exact time, please provide the data using the occurrence time bands or methodology used internally by your police force.

SP received your request on 08/06/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The review enables a re-evaluation of the case, considering the matters raised by the complaint.
