POLICE

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

Or by Post to:

Information Access Team
Staffordshire Police HQ

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the independent supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
