

10 July 2026

FOI Ref 23107

Request - You asked Staffordshire Police (SP) the following:

I would like the following information please.

The number of motorbikes stolen between June 2025 and June 2026.

I would like the breakdown of council area and Police NPA, motorcycles stolen from each.

Suspects charged and by what number if multiple And lastly the number of no suspects charged

SP received your request on 09/07/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.

Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which SP can readily retrieve information from local police systems to answer this request. For the period requested, there have been in excess of 1,805 offences of 'Theft of a Motor Vehicle'. Due to there being no mandatory field within our crime recording data base in which the vehicle type would be recorded, information relating to vehicle type would be recorded in any number of different free text fields across the crime report. Therefore, in order to ascertain whether the theft involved a motorbike, the record for each offence would require a manual review. To extract this data would require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 90 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by a considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

To assist in refining your request, data could be provided for the offence recorded as 'Theft of a Motor Vehicle' for all vehicles, broken down by year, Local Policing Team area and outcome.

All Freedom of Information request responses are published on the SP website although personal details are not included.
