FOI Ref 23117

Request - You asked Staffordshire Police (SP) the following:

1. Whether any UK government department, MOD unit, MOD research laboratory, subcontracted research organisation, MOD-affiliated university, or police department is conducting research, testing, or operational activity involving electromagnetic, psycho-electric, neurological-interference, or remote neuro-stimulation technologies capable of producing effects similar to the symptoms listed above.
2. If such research or testing exists, please provide:
 - o The name of the programme or project
 - o The responsible department or unit
 - o Any publicly available documentation, safety guidelines, or ethics oversight procedures
 - o Any external regulatory bodies involved in oversight
3. Whether any individuals in the UK have been enrolled, selected, monitored, or observed as part of such research, and if so:
 - o The number of individuals involved
 - o The criteria for selection
 - o Any consent or safeguarding requirements
 - o Whether vulnerable groups (students, migrants, temporary workers) are included
4. Any publicly available patents, technical descriptions, or research documentation held by UK institutions relating to:
 - o electromagnetic stimulation technologies
 - o remote neural interaction systems
 - o psycho-electric or neuro-interference devices
 - o directed-energy research
5. Any internal MOD, policing, or research-institution policies relating to:
 - o human subject protection

- o non-consensual exposure safeguards
- o testing limitations
- o reporting or whistleblowing procedures

SP received your request on 10/07/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

SP does not hold the requested information.

All Freedom of Information request responses are published on the SP website although personal details are not included.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

Or by Post to:

Information Access Team
Staffordshire Police HQ
PO Box 3167
Stafford
ST16 9JZ

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

STAFFORDSHIRE
POLICE

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the independent supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal. The Information Commissioner can be contacted via the following link:
