FOI Ref 22931

Request - You asked Staffordshire Police (SP) the following:

What would you like to know?: Please provide the total number of motorists caught breaking the speed limit in 20mph zones by your force

Please provide the total number for the last three years - 2025, 2024 and 2023. Please only provide the number of motorists caught speeding in 20mph zones and not any other speed limit zones.

Within this, please provide the number of times a motorist was sent a Fixed Penalty Notice by your force for doing exactly 22mph in a 20mph. Again, please break this down per year for 2025, 2024 and 2023.

Please also provide the highest speed that a motorist was caught speeding at in a 20mph by your force.

For all the above data, please provide the figures for whatever device the motorist was caught - whether on a fixed roadside camera, portably camera in a police van etc. (but these do not need to be detailed).

SP received your request on 28/05/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

SP does not hold the requested information.

Due to the limited number of zones with 20 mph limits in Staffordshire, these have not previously met criteria for enforcement.

Please note that this data has been provided to the best of the ability of SP, subject to the limitation of current recording protocols and systems/software. Additional offences/incidents may have been recorded during these timescales but are awaiting finalisation and input onto these systems and would not be present within this dataset.

Every effort is made to ensure that the data presented is accurate and complete. However, it is important to note that this has been extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system.

Consequently, care should be taken in the interpretation and presentation of this data, to not misrepresent the whole or any part of the data disclosed.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

Or by Post to:

Information Access Team
Staffordshire Police HQ
PO Box 3167
Stafford
ST16 9JZ

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to

complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the independent supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
