FOI Ref 22988

**Request - You asked Staffordshire Police (SP) the following:**

1. How many GPS (Global Positioning System) screens, domes and satellite guidance systems have been stolen from tractors and other agricultural vehicles in between 24 February 2022, and 10.06.26 (/ to date)?

A. Broken down by year

2. How many people have been arrested and convicted of the theft of GPS screens, domes and satellite guidance systems from tractors and agricultural vehicles between 24 February 2022, and 10.06.26 (/ to date)?

SP received your request on 10/06/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

**The following exemption has been applied:**

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

**The above information has been withheld for the following reasons:**

There is no method by which SP can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 8,300 offences of theft from a motor vehicle. To ascertain whether the theft offence related to GPS (Global Positioning System) screens, domes and satellite guidance systems stolen from tractors and other agricultural vehicles, the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 415 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by a considerable margin.

## **Advice and assistance**

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

Unfortunately, SP cannot suggest a way in which your request could be simplified or pared down to bring it within the confines of the time and cost threshold.

All Freedom of Information request responses are published on the SP website although personal details are not included.
