FOI Ref 22590

Request - You asked Staffordshire Police (SP) the following:

I am making a request under the Freedom of Information act.

Please could you tell me the number of people arrested for using or distributing illegally altered devices, such as Amazon Firesticks, to access premium channels over the last three years. I believe this may fall under Section 11 of the Fraud Act 2006.

Please provide figures by calendar year (2025, 2024, 2023) and 2026 to date if held. If five years of data are held, please provide that. If possible, please break down by those arrested for using and distributing the devices.

If possible - and held in a searchable format - please provide me with the number of arrest records containing the words "Amazon Firestick", "firestick" or "fire stick".

SP received your request on 25/02/2026 and have processed this under the Freedom of Information Act (FOIA).

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.
