FOI Ref 22603

Request - You asked Staffordshire Police (SP) the following:

I am writing to request information under the Freedom of Information Act 2000 regarding recorded incidents of violence linked to specific familial marriage dynamics. Specifically, I am looking for data from 2020 to present, with a year-on-year breakdown of the following.

Please provide the following information:

1. Total number of incidents: The total number of recorded domestic abuse or violent offences flagged as "Honour-Based Abuse" (HBA).
2. Keyword search: Within the "MO" (Modus Operandi) or "Summary" fields of domestic abuse reports, a count of how many records contain the keywords: "cousin", "consanguineous", or "first cousin".
3. Outcome data: For the incidents identified in Question 2, please provide a breakdown of the outcomes (e.g., Charge/Summons, Caution, Evidential Difficulties, or Case Closed).
4. Relationship Context: If held within your reporting system, a breakdown of the relationship between the victim and the suspect in these cases (e.g., spouse, sibling, parent).

If a keyword search of all domestic abuse files is deemed to exceed the cost limit, please prioritise the search within cases already flagged as Honour-Based Abuse.

SP received your request on 02/03/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which SP can readily retrieve information from our systems to answer question 4 of this request. For the time period requested, there have been 307 domestic abuse or violent occurrences flagged as 'Honour-Based Abuse', in order to ascertain the relationship between the victim and the suspect

in these cases, the record for each one would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 4 minutes to review each record to answer this request, this would equate to over 20 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by a considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

In order to refine your request data can be provided for questions 1, 2 and 3 broken down by year if question 4 is removed.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.
