FOI Ref 22616

Request - You asked Staffordshire Police (SP) the following:

Would it be possible to get just 2025 broken down into recorded reasons?

Original Request

I would like to request information held by your police force relating to recorded crime cases where a suspect was identified, but no prosecution or formal disposal took place because the statutory time limit for prosecution expired. For example, the six-month time limit for summary-only offences or other applicable prosecution or custody time limits.

Specifically, please provide the following for each of the last five full calendar years:

The number of recorded crime cases where a suspect was identified and the case was closed, finalised, or resulted in no further action because the prosecution time limit expired before charge, caution, or other disposal

A breakdown of these cases by the recorded reason for expiry or delay, for example (but not limited to): failure to complete a suspect interview before the time limit administrative or case-handling delay staff availability or resourcing issues, including sickness or workload evidential delays other recorded reasons

SP received your request on 04/03/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the independent supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
