

19 March 2026

FOI Ref 22672

Request - You asked Staffordshire Police (SP) the following:

If that is the case, that is fine, please provide (A) to (E) in the aggregate (ie. for Fixed and Mobile cameras together)

Original request

For the period 1 January 2021 to 31 December 2025 (five calendar years in total), how many in total:

- (A) Notices of Prosecution* for speeding offences were issued by the police
- (B) Notices of Prosecution* that were cancelled following issuance (for whatever reason)
- (C) Offers for driver awareness courses were made as part of the penalty for a Notice of Prosecution*
- (D) Conditional fixed penalties paid in regards to Notices of Prosecution*
- (E) Cases that were settled in court

*If your force uses different terminology for any of the categories above, please provide the closest equivalent data and indicate the terminology used. Please have regard to the type of notice being contemplated in this information request : defined as type of notices issued by the police (as described at the beginning of this information request) falling within the definition contained in Police powers and procedures: Roads policing, to December 2023 - GOV.UK (ie. section 1.1 'Main Findings' states ".... recorded motoring offences [....] for speed limit offences...."

To help the police discharge its section 16 FOIA obligations : this question seeks to ascertain how many speeding offences were generated by the camera network (see note below regarding fixed versus mobile camera network sub-groups) during the period in question, and of those that were not cancelled (for whatever reason), how many resulted in driver awareness courses, settlement by way of acceptance of conditional offers of fixed penalties directly with the police, and how many had to be settled in court. Furthermore, logically the totals in the response should add up as follows:

(C) plus (D) plus (E) = (A) minus (B)

SP received your request on 16/03/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:
