

30 March 2026

FOI Ref 22691

Request - You asked Staffordshire Police (SP) the following:

Please could you provide the following information for the financial years 2004–2005 and 2005–2006 (to date) within your police force:

1. The number of police officers who were reduced to half pay following six months' absence from work.
2. The number of requests made for full pay to be maintained on the basis that the illness or injury was linked to an injury sustained on duty.
3. Of those requests, the number that were successful in retaining full pay.

Clarification received from applicant 24/03/2026:

The data I require is:

1. Full Financial year 2024 - 2025
2. Financial year to date 2025 - 2026

SP received your request on 20/04/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which SP can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 2050 sickness records. In order to ascertain if the Officer had reverted to half pay after the 6 months and who retained full pay, each record would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 10 minutes to review each record to answer this request, this would equate to over 341 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by a considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

Unfortunately, SP cannot suggest a way in which your request could be simplified or pared down to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.
