FOI Ref 22822

Request - You asked Staffordshire Police (SP) the following:

I am writing to request information under the Freedom of Information Act 2000 regarding police attendance at my place of residence.

Please provide the following anonymized information for the period of 1 October 2025 to 31 January 2026:

1. The number of incidents recorded by Staffordshire Police where officers attended:
 - Cardigan House, Cardigan Place, Hednesford, WS12 1AQ; and/or
 - Cardigan Place, Hednesford (where the street itself is the recorded location).
2. A breakdown of these incidents by type or category (e.g., anti-social behavior, suspected drug use, fire alarm activation, or nuisance).
3. The specific dates of attendance (day/month/year) for each incident.

I am seeking this information to understand the frequency and nature of incidents at this location—specifically concerning repeated anti-social behavior and cannabis use in communal areas—and am not requesting any personal data that would identify suspects, witnesses, or callers.

If any part of this request exceeds the statutory cost limit, please advise me on how I might narrow the scope of my inquiry.

Thank you for your assistance.

SP received your request on 01/05/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

SP can neither confirm nor deny that it holds the information you requested as it believes that the duty under s1(1)(a) of the Freedom of Information Act 2000 (the duty to confirm whether the public authority holds information of the specified description) does not apply.

The following exemption has been applied:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

- Section 40(5) Personal Information

Section 40(5) is an absolute exemption which means that there is no need to quantify the harm that may arise from the disclosure; neither is it subject to a public interest test.

To release personal or third-party information that may or may not be held by SP, would breach the data protection principles; namely –

- Data is lawfully and fairly processed.
- Processed in line with an individual's rights.
- Data is secure.

Personal and third-party information cannot be released under the Freedom of Information Act.

Disclosure under Freedom of Information is a release of information to the world in general and not an individual applicant.
