FOI Ref 22884

Request - You asked Staffordshire Police (SP) the following:

Under the Freedom of Information Act 2000, please provide the following information for the period 1 January 2020 to 31 December 2025:

The number of recorded offences, investigations, or incidents relating to:

a) cannabis cultivation, cannabis production, cannabis farms, or cannabis factories.

b) keeping or managing a brothel (Home Office offence code 024/19).

Where possible, please state whether the premises relating to the offences/investigations/incidents were classified as residential or commercial; the property type (e.g. private dwelling, flat, HMO, social housing, industrial unit, retail premises, hotel, short-term let); whether the premises were owner-occupied, privately rented, socially rented, or of unknown tenure.

I am not requesting addresses, names, full postcodes, or any information capable of identifying individuals.

E.g. "In 2022, there were 100 investigations relating to cannabis cultivation. Of those, 40 related to privately-rented properties."

Please provide the information in spreadsheet or CSV format where possible.

SP received your request on 15/05/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which SP can readily retrieve information from our systems to answer this request. For the period requested, there have been in excess of 1,390 occurrences. To ascertain whether the premises were owner-occupied, privately rented, socially rented, or of unknown tenure, the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 4 minutes to review each record to answer this request, this would equate to over 92 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by a considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

In order to assist in refining your request data could be provided for the offence of 'Production of a cannabis plant' and 'Keeping a brothel used for prostitution' and location type, from 1st January 2020 to 31st December 2025.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.
