6 November 2026 **FOI Ref 23520**

Request - You asked Staffordshire Police (SP) the following:

Under the Freedom of Information Act 2000, I would like to request information concerning mobile speed camera vans operated by Staffordshire Police and the Staffordshire Safer Roads Partnership.
Please provide the following information, where held and suitable for disclosure:

1. A list of approved mobile speed camera enforcement locations across Stoke-on-Trent and Staffordshire.
2. Historical deployment records by road or location, including the date and, where disclosable, the time or time band of each deployment.
3. Monthly or quarterly summaries showing how frequently each enforcement location has been used.
4. Any published policy, criteria or guidance used to select mobile camera enforcement locations.
5. Whether a public schedule, calendar or other source of planned mobile speed camera deployments is available.
6. Whether anonymised historical deployment data can be supplied in CSV or spreadsheet format.

If any part of the request is considered exempt, please disclose the remaining information that can reasonably be provided.
I am particularly interested in historical deployment patterns and publicly available information, rather than information that would compromise live police operations.

Clarification received on 21/10/2026

Regarding Question 2, I would like to request historical mobile speed camera van deployment records for the period 1 January 2021 to 31 December 2025, covering Stoke-on-Trent and Staffordshire.
I am interested in the deployment date and road or location for each deployment and, where held and suitable for disclosure, the time or time band.
If possible, I would appreciate the information in CSV or Excel format. If records for the full period are not readily available, please provide the information held for the available period.
My request concerns historical deployment patterns and does not seek information about live or future operational deployments.
Please continue processing the remaining questions in my original request

This data has been provided to the best of the ability of SP, subject to the limitation of current recording protocols and systems and software.

Every effort is made to ensure that the figures presented are accurate and complete. However, it is important to note that data is extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system. Consequently, care should be taken in the interpretation and presentation of this data, to not misrepresent the whole or any part of the data disclosed.

Freedom of Information Request Appeals Procedure

1. **Who Can Ask for a Review**

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. **How to Request a Review**

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the independent supervisor will reply to the appellant with the result of the review.
