FOI Ref 23480

Request - You asked Staffordshire Police (SP) the following:

Please provide existing, publicly releasable electronic records held by Staffordshire Police, UK concerning Keeley Bunker / Wesley Streete (2019). Please start with any previously released electronic records or public evidence/media package, without creating a new compilation. The particular focus is Streete investigation, CCTV and publicly released interviews.

Requested records, if held and lawfully releasable: original or highest-quality available audio/video of relevant police interviews and recorded conversations; relevant emergency/dispatch audio and existing transcripts or CAD logs; body-camera, dash-camera, CCTV or surveillance exhibits; non-graphic scene/evidence photographs and publicly released portraits or booking photographs; incident and supplemental investigation reports, publicly releasable warrant affidavits and forensic reports; and any existing evidence/media index or release log. Previously redacted public versions are acceptable. Please exclude restricted personal identifiers and graphic injury imagery.

Please deliver electronically by email or a free download link to [REDACTED] For recordings, please preserve the existing complete recording, original audio, timestamps and file names where available, rather than replacing it with an edited news compilation. Any existing transcript, subtitle file, cue sheet or exhibit label may accompany it. No physical media or paid transcription is requested.

My total authorized budget is \$0. Please waive any otherwise applicable fees, or provide only existing records that can be supplied entirely free of charge. I do not authorize any search, review, redaction, copying, transfer, storage-media, licensing, deposit, postage or other charge. Do not start chargeable work. If any fee would be required, please notify me before incurring it and hold that portion while continuing any free portions. Do not treat this request as acceptance of a minimum processing fee.

If this mailbox is not the records custodian, please forward this to the appropriate custodian or identify the correct electronic request channel. If a specific form is essential, please send the form or link and explain the required fields; do not initiate chargeable processing.

SP received your request on 05/10/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. This request encompasses a significant amount of material, including interviews and body-worn footage relating to the murder case. In order to retrieve this information, we would need to review numerous records and files. SP would need to review 17 interviews which have been estimated to take a minimum of 45 minutes per interview. Further research would then be required for 15 items of body worn video footage that would need to be reviewed which has been estimated to take a minimum of 8 hours. In addition, there are 1069 documents which would need to be reviewed at least 3 minutes minimum per record, resulting in a minimum of 53 plus hours. Therefore, to service this request would take in excess of at least 74 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

Unfortunately, SP cannot suggest a way in which your request could be simplified or pared down to bring it within the confines of the time and cost threshold.

All Freedom of Information request responses are published on the SP website although personal details are not included.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the Force's response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within 20 working days. In more complex cases the review may take up to 40 working days.

The independent Supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
