FOI Ref 23576

Request - You asked Staffordshire Police (SP) the following:

Under the Freedom of Information Act 2000, I request the following information:

The number of reports made regarding AI-generated or altered images or videos of children created by children, per calendar year since 2020 The number of these reports which involved sexually explicit images or videos, per calendar year since 2020 A breakdown of the outcomes of these

SP received your request on 23/10/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which SP can readily retrieve information from local police systems to answer this request. For the period requested, there have been in excess of 2,880 offences recorded as either Take/Make/Distribute, or Possession, of indecent image or pseudo image of a child. To ascertain whether the offence related to AI-generated or altered images or videos of children created by children, the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 143 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by a considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

In order to assist in refining your request, data can be provided for the following offences:

- Possession of an indecent or pseudo indecent photo of a child - Criminal Justice Act 1988 Sec 160 amended by Criminal Justice & Court Services Act 2000 Sec 38
- Take/ make / distribute indecent photographs or pseudo- photographs, of children - Protection of Children Act 1978 Secs 1 & 6 as amended by the Criminal Justice & Public Order Act 1994 Sec 84

This data can be provided by year and outcome, with a breakdown of victims and suspects by age group and gender. However, further exemptions may apply.

All Freedom of Information request responses are published on the SP website although personal details are not included.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the Force's response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within 20 working days. In more complex cases the review may take up to 40 working days.

The independent Supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal. The Information Commissioner can be contacted via the following link:
