FOI Ref 23383

Request - You asked Staffordshire Police (SP) the following:

I would like to request

- the total number of registered sex offenders managed by your police force. (Currently, not of all time).
- the total number of registered sex offenders that are covered by your force who are recorded as having a name or alias change. (Currently, not of all time).

SP received your request on 14/09/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which SP can readily retrieve information from local police systems to answer this request. Currently, there are 2,088 registered sex offenders being managed by SP. In order to obtain the number of registered sex offenders recorded as having a name or alias change, each individual record would need to be manually searched.

From dip sampling, it has been estimated that it would take approximately 3-5 minutes to review each record to answer this request, this would equate to between 104 and 174 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by a considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

Unfortunately, SP cannot suggest a way in which your request could be simplified or pared down to bring it within the confines of the time and cost threshold.

All Freedom of Information request responses are published on the SP website although personal details are not included.
