FOI Ref 23423

Request - You asked Staffordshire Police (SP) the following:

Under the Freedom of Information Act 2000, I request the following information relating to arrests made by Staffordshire Police.

For each calendar year from 2015 to 2019, please provide the number of arrests and, where available, the percentage that each category represents of all arrests in that year, broken down by:

- * ethnic group
- * sex
- * age group
- * reason/offence category for arrest.

Please include any categories recorded as unknown, not stated, other, or missing, where applicable.

Where the data can be broken down by more than one of the above categories simultaneously (for example, sex and age group together), please provide it on that combined basis. If it is only possible to provide single-category breakdowns, please provide those instead.

Please provide the information in an electronic format (such as Excel or CSV), together with any accompanying definitions, metadata, data dictionaries or explanatory notes necessary to interpret the data.

If calendar-year data are unavailable, financial-year data covering the same period would be acceptable.

If any part of this request exceeds the appropriate cost limit under the Freedom of Information Act 2000, please provide any information that can be disclosed within the limit and advise how the remaining request might be refined.

SP received your request on 23/09/2026 and have processed this under the Freedom of Information Act (FOIA).

SP's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.

STAFFORDSHIRE
POLICE

Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

This is because on 20th May 2020 Staffordshire Police implemented a new case management system. This system brought data from multiple legacy systems into one to provide a single nominal record, including the custody system. The old custody system has now been decommissioned and as a result there is no search facility to be able to retrieve the requested data. It would entail searching thousands of records to establish if it fitted the criteria of the request. To achieve this task would exceed the 18-hour time and cost threshold stipulated by the FOI Act.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, to comply with this obligation please see below.

Unfortunately, SP cannot suggest a way in which your request could be simplified or pared down to bring it within the confines of the time and cost threshold.

All Freedom of Information request responses are published on the SP website although personal details are not included.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

IAT@staffordshire.police.uk

Or by Post to:

Information Access Team
Staffordshire Police HQ
PO Box 3167

STAFFORDSHIRE
POLICE

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.
