# Chief Officers Expenses 2025/26

---

## **Quarter 3 October 2025 - December 2025**

### **Chief Officers' Expenses – a definition of the information provided**

Included are reimbursements paid to Chief Officers for personal expenses such as travel, accommodation, and refreshments incurred while carrying out official duties on behalf of Staffordshire Police. The term "hospitality" refers to refreshments purchased for meetings partners from external agencies and organisations with whom the Force works collaboratively. For security reasons, specific details about locations, events, and functions have been withheld.

Excluded from this information are any payments related to a Chief Officer's contractual remuneration package. General business costs—such as stationery and mobile communication—are also not included.
