Expression of Interest Form

Introduction

The Staffordshire Commissioner and the Chief Constable have pledged that Staffordshire will be the most open and transparent police force in the country. They believe that this will help to deliver even greater confidence in policing, increase force credibility and respond more effectively to local needs and issues.

With this aim in mind we have established volunteering roles that will provide local people with the opportunity to be involved or influence local policing and community safety priorities in their area, scrutinise the work done by the police and contribute to the overall wellbeing of their community.
